A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is

It shall be unlawful to use or occupy or permit the use or occupancy of any building or premises created, erected, changed, converted or altered or enlarged in its use or structure until a Certificate of Occupancy shall have been issued by the administrative official.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
