Mayor Sanders called the workshop to order at 6:46 p.m. Alderman Thompson led the invocation and the pledges.

Mayor Sanders moved to item 1 discuss the proposed 2018-2019 fiscal year budget. Mayor, Council, City Administrator and City Secretary reviewed the proposed budget, discussed salaries, and made some minor changes.

Mayor Sanders moved to item 2 discuss the proposed tax rate for the 2018-2019 fiscal year. Mayor, Council, and City Administrator, and City Secretary reviewed and discussed the proposed tax rate. Mr. Grigsby, City Administrator was suggesting an increase in the tax rate due to the City's current debt payments. Council members did not want an increase in the tax rate, and asked Mr. Grigsby how much more revenue would the City receive by increasing the tax rate, to which he responded about \$43,000.00 a year. Council suggested the money be found somewhere in the budget because they did not like the idea or want to raise taxes.

With no further business needed to be brought before the council the workshop was adjourned at 7:40 p.m.
